Join Victory Fire as an Experienced Fire Sprinkler Foreman

Victory Fire Protection, an industry leader providing fire sprinkler systems for both commercial and residential properties in and around Southeastern Pennsylvania, is seeking experienced, proactive, self-starters to join both our Commercial & Residential Divisions.

Qualified candidate must possess a positive attitude, have strong organizational and communication skills, and be able to multitask. He/she must also be a quick learner who can work both independently and as a team member.

Job Description:

- Represent Victory Fire Protection on job sites
- Lead/manage the Installation team and apprentice(s) on both large and small jobs
- Execute installation per fire sprinkler design plans
- Meet or exceed job schedules
- Effectively communicate jobsite concerns with general contractors/site superintendents/project managers
- Work closely with design team and purchasing manager for material procurement
- Heavy lifting

Qualifications:

- High School Diploma or equivalent
- **Minimum 5 years of experience**
- Knowledge of NFPA 13D, 13R, 13, 14 and NFPA 20
- Proficiency in CPVC/copper/steel piping systems
- Ability to read/interpret blueprints
- Must understand fire sprinkler codes, technical data, and installation instructions
- Proficient with mobile technology (Smartphone/Tablet/Email/Texting)
- Capable of performing physical labor, meeting the demands required for all types of installation
- Able to operate lift equipment and work in high places
- Able to work in excess of 40 hours per week
- Willing to commute/travel 50-75 mile radius of home office
- Able to produce a valid Driver's License and have both a clean driving and clean criminal record
- Must pass pre-employment drug screen/background check

We recruit and retain top fire protection and life safety professionals by offering:

- Competitive compensation commensurate with experience
- Benefits package including medical/dental/vision/401(k)/paid vacation and holidays
- Challenging work environment with a team approach
- Opportunities for advancement
